Transform Your People Experience with EPI-USE Thailand Simple. Smart. Tailored for Thai Businesses.

EPI-USE People Solutions is an EPI-USE (Thailand) specialized pre-configured product designed to enhance the implementation of SAP SuccessFactors for businesses operating within Thailand. Tailored to local requirements, this solution efficiently integrates with Core HR and Talent Management modules, offering a seamless fit for enterprises seeking to streamline their human resource processes. The product leverages SAP SuccessFactors' robust capabilities while incorporating custom configurations that address the unique legislative and cultural nuances of the Thai market.

Key features and benefits of People Solutions include:

Localization for Compliance

By pre-configuring the product to adhere to Thai labor laws and tax codes, People Solutions ensures organisations are compliant with local regulations, minimizing legal risks.

Core HR Functionality

The product supports essential HR processes such as employee data management, payroll, benefits administration, and time tracking, tailored for the Thai context.

Talent Management Excellence

With advanced modules for recruitment, performance management, learning, and development, People Solutions helps businesses attract, retain, and nurture top talent within the region.

Ease of Implementation

Designed with pre-configured templates and settings specific to Thailand, businesses can experience a faster deployment, reducing the time and resources typically required for a full-scale ERP implementation.

User-Friendly Interface

The solution offers an intuitive interface in both English and Thai, enhancing user experience and accessibility for local HR teams and employees.

Scalability and Flexibility

As your business grows, People Solutions can be scaled and adjusted to meet evolving HR requirements, ensuring long-term value and adaptability.

By aligning closely with the regional needs of Thai businesses, our People Solutions offers a strategic advantage in managing human resources, thus empowering organisations to focus on their core operations and strategic growth initiatives.

Why work with EPI-USE?

EPI-USE one of the world's most experienced independent SAP HR and Payroll specialists. We are part of Group Elephant, which employs more than 4,200 people in 42 countries. We are passionate about using technology to solve challenges and do things better. We are proud to be an ethical company and have our own NGO erp.ngo which uses technology to solve the complex problem of poaching, save lives of endangered species and support rural communities in South Africa.

Group Elephant is a largely employee-owned group of companies, nonprofits and impact investment organizations, with a strong global presence. The Group is characterized by a primary strategic imperative in terms of which it goes 'Beyond Corporate Purpose' in its day-to-day activities.
